

# S1.1 From Contested Rule to Decisive Arena

Main map. Edge thickness marks repeated crisis pathways; crisis examples are on the next page.

Reading note: this figure shows movement away from a formal rule/procedure into the arena that becomes outcome-making.

# S1.1 Flow Figure - Pathway Examples

Examples are taken from the crisis IDs attached to each rule-to-arena edge.

|                                                                                     |                                                                                                                   |             |
